MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Proposed Table of Organization for the Southern European Division, DS/P

1. This memorandum contains a recommendation, in paragraph 5, for DD/P's approval.

25X9A2

2. The proposed SB T/O as submitted (Tab A) totals [redacted] positions and equals the current ceiling authorization of [redacted] military. Revisions and refinements occurred in the DS/P Division have been made to the originally proposed T/O organizational structure and position alignment and are reflected in the recommended T/O listing attached to Tab B.

25X9A2

3. The Director of Personnel approved the titles and grades of the proposed SB T/O as reflected by attached listing (Tab C). Dual graded positions will be resolved by an overall position evaluation survey of the SB Division now underway. The average grade of the current SB T/O as computed by the Office of Personnel, PWD, is GS-9.8 and the recommended T/O is GS-10.1, an increase of .3 of a grade.

b. The Chief, Budget Division, Office of the Comptroller (Tab C) comments in part as follows:

a. Sufficient funds are available to finance the revised T/O for the remainder of this year.

b. In FY 1957 the increased cost will need to be financed from program adjustments within the SB Division. Such action, however, reduces the amount of funds available for operations and it is recommended that the policy implications of such action be considered.

c. Assuming all positions will be filled, the increase in cost over the 1957 Congressional Budget estimate could range from [redacted]
